

# Produce Safety Certification

This commercial agribusiness Nationwide® **FREE PSA (Produce Safety Alliance) Grower Training Course** is a 1 day Certification Course. The curriculum has been designed to provide a foundation of Good Agricultural Practices (GAP) knowledge that includes emphasis on co-management of food safety and environmental management goals, while outlining the requirements in the Food Safety Modernization Act (FSMA) Produce Safety Rule.

**Who should attend:** Fruit and vegetable growers and others interested in learning about produce safety, FSMA Produce Safety Rule, GAP, and co-management of natural resources and food safety practices. This course is one way to satisfy the FSMA Produce Safety Rule requirement outlined in 112.22(c) that requires *“At least one supervisor or responsible party for your farm must have successfully completed food safety training at least equivalent to that received under standardized curriculum recognized as adequate by the Food and Drug Administration.”*

**Note: Class size is limited to 40 attendees. Registration is on a “first come, first serve” basis.**

This one day session is conducted by our Risk Management Food Safety Team and offers clear and concise information for Produce Safety. Nationwide has food safety professionals with an average of 20+ years food safety and education experience and are certified by the Produce Safety Alliance as lead instructors.

## Topics Include:

- Introduction to Produce Safety
- Worker Health, Hygiene and Training
- Soil Amendments
- Wildlife, Domesticated Animals and Land Use
- Agricultural Water; Production Water and Postharvest Water
- Postharvest Handling and Sanitation
- How to Develop a Farm Food Safety Plan
